Ricardo,
It has been a long haul up a long hill, and we are just at a little dip. I guess the worst is still in store for us. Will anyhow, well have some fun out at the castle this summer, right and all that jazz.

Carlos Schroeder

Hi Dick,
Well the year is over!
Finally! Have fun in the summer and I hope you have a successful life.

Kurt,

ADMINISTRATION

As we approach the close of another year, we note with satisfaction the achievements of our students, our alumni, and our faculty. We are justly proud of the success of our dramatic presentations, musical programs, and athletic participation. We are gratified by the outstanding work of our other departments and by the high standard of scholarship maintained by our students. Democratic leadership has been ably provided by our Girls' and Boys' Clubs and by our Student Council. In every respect this has been a rewarding year, one which has given me a feeling of accomplishment and which will provide all of us with a wealth of pleasant memories.

Congratulations to the Class of 1960. May the experiences enjoyed at Cleveland High School lead to future success for all of its members!

LOREN RALPH

MR. IMUS, VICE PRINCIPAL

MR. RALPH, PRINCIPAL

Nestling in the heart of a historical area, made famous by the early pioneer settlers—the Van Asselts, the Maples, and the Holgates—Cleveland High School has grown slowly but steadily. We have seen some small industries across the Duwamish Valley grow into large nationally known institutions.

From a class of 29 in the old Georgetown High School of 1907, to a graduating class of 52 in 1928, Cleveland High School's first graduating class, we now see a class of 245 in 1960. Cleveland has been more than a high school—Cleveland is a family with a second generation now carrying on the school's activities and traditions. They do it with credit to their parents and to themselves.

May the achievements of the past be a constant inspiration for greater achievement in the future as we move forward in this rapidly moving space age.

Well it has been three years since the last time we saw each other long time anyway I think so. We haven't done to much together but what we've done was sure a lot of fun. Dick I think your Mom & Dad are two of the best persons I have ever been able to be with and your brother also sisters are all so kind, always be good to them and do your best to help them with what ever you can.

For your Mom and Dad and yourself be sure you go on to some kind of schooling and do your best even more than best for it is so important in this day and age. I sure hope I'll be able to get all my schooling in some how.

Dick I am going to tell you what I really like you so much for so don't get a big head. You are a real clean person in mind and body your full of good fun kind and helpful when ever you can't se. Also your easy to get along with. Come to think about it your just like me. HA! HA!

Looking Back . . .

Cleveland 0, Franklin 7

Cleveland opened the football season against arch-rival Franklin. The only touchdown came late in the first quarter after Cleveland had fumbled deep in their own territory. Franklin outplayed Cleveland both offensively and defensively to win the close battle.

Cleveland 0, Lincoln 6

Improved after the opener, the boys dropped this conflict because of early game mistakes. Cleveland had two chances to score late in the game, but a pass from Deyak fell short of a first down on the twenty-two yard line, ending the second march. Lincoln took over and ran out the clock.

Cleveland 7, Queen Anne 6

Cleveland's defense was spectacular in a one-point win. Queen Anne scored early in the second period but Cleveland, undaunted, went ahead at the half. Neither team had any big chances in the second half. Deyak and Schattenkerk starred for Cleveland in their upset victory in the mud.

Cleveland 13, Ballard 12

Elliott Gleason and the rest of the Ballard backfield ran through the Cleveland line easily for the first three quarters. Woodrow Roberts scored the first touchdown with a pass from Deyak, in the middle of the final period. Brandli made the conversion, which proved decisive. With only one minute to go, Cleveland took to the air in desperation. Another pass from Deyak to Roberts, this one for forty yards into the end-zone, won one of the biggest upsets of the year.

Cleveland 18, West Seattle 25

Eagles were flying high for the West Seattle game. Cleveland scored twice in the first quarter. Deyak scored on an end run set up by a twenty-four yard pass to Matsuoka. Shortly afterward, Deyak again scored after Kobuki had recovered a fumble. West Seattle, headed by Lee Grandquist, caught fire on big drives through the line to win in the final half.

Cleveland 7, Sealth 20

After a week's bye, Cleveland returned to the schedule against keyed-up Sealth. Cleveland had several chances to score, but intercepted passes and fumbles interfered, giving Sealth the victory.

Cleveland 6, Roosevelt 6

Scoreless until the middle of the fourth quarter, Cleveland scored on a Roosevelt bobble. With only six seconds remaining, Roosevelt executed a twenty yard pass to the end-zone to tie the game.

Cleveland 0, Garfield 12

Eagles surprised Garfield in the first half, holding the Bulldogs to a 0-0 tie. Garfield marched to pay dirt late in the third quarter on a running play and scored again minutes later when a desperation play failed by Cleveland. The team left the field with a moral victory.

Lack of experience and height were the main factors for Cleveland's weak beginning in their first season of the new Metro Basketball League. Cleveland started the campaign with three returning lettermen: Captain John Steinbach, Gary Deyak and Bill Schattenkerk. An untimely ankle operation ended Schattenkerk's season early, after going one game. By the end of the season, the Eagles had improved with a record of 5-10. Deyak finished 7th in league scoring and was voted team inspirational. With six lettermen returning next year, a highly successful season is promised.

Dreams of the Prom

Here We Go!

We, of the Class of '60, are proud to be a part of this new generation which will be responsible for the world's future. Remembering the hours we spent in classrooms learning, we realize how valuable our years at Cleveland have been. They will enable us to feel at home in our fascinating and rapidly-moving world. Most of us will leave and never return to Cleveland except in our memories. Thanking our teachers who guided us so skillfully, our advisers who never failed us, and our friends who taught us to live congenially with others, we bid Cleveland and all she stands for a fond Farewell.
